**SUMMER TRAINING PROGRAM**

**LEVELS:** Invited gymnasts from the following programs should attend this SUMMER training - DOT team members, R3/4 gymnasts, pre evaluated new gymnasts and other gymnasts from within the current program recommended this placement. Signups for these designated gymnasts for Summer 2023 program will be in

**1N, 2N, SILVER & TRAINING (12ST)**

Summer 2023 Training recruits are invited from the 2022-23 school year program or pre-evaluated gymnasts receiving a recommendation for placement into the competitive training program. Please check the REVEL SUMMER 2023 PROGRAM PLACEMENT for confirmation of invitation to this program for the Summer 2023.

Invited gymnasts that chose to participate are required to attend 3 weeks of the **1N, 2N, SILVER & TRAINING (12ST)** during the summer to meet program commitment. Completing this commitment will ensure your placement into the **1N, 2N, SILVER & TRAINING (12ST)** program in the Fall of 2023 as a trainer. Not meeting summer commitment will return the gymnast to the recreational program in the fall of 2023. Fall 2023 12ST Trainers go 2 days for 2 hours.

**1N, 2N, SILVER & TRAINING (12ST)** team includes competitive gymnasts and training gymnasts. You have the option as a trainer to not compete in **1N, 2N, SILVER & TRAINING (12ST)**. However, advancement in the Teams program can only be through competing. This opportunity will allow your gymnast to experience being a part of a competitive team in a training capacity. When ready she can opt to compete to be considered for advancement in the teams program. Fall 2023 Teams rules & policies will state competitive commitment requirements for each level. The Teams R & P are signed off on the Fall 2023 team registration form. Hope to see REVEL 2023 competitive training recruits at 12ST sessions this summer!

## COMPETITIVE TEAMS

The REVEL 2023 COMPETITIVE TEAMS SUMMER PROGRAM will again be utilizing weekly sessions with a minimum number of commitment weeks for the Summer 2023. This plan works best in allowing flexibility for our families to enjoy the summer while maintaining training and program commitment. ALL COMPETITIVE TEAM MEMBERS REGISTRATION FORMS with half or all of the summer tuitions are due on or by 6/1/2023. The 2nd half or remainder of your summer tuition is due on or by 7/1/2023. Attending additional days or weeks beyond your commitment can be requested via email later in the summer. But due to availability, it is recommended to request those additional days or weeks with the original form on 6/1/23. **Any concerns or questions please email.**

The 9-week camper option for 2023 is **open to all gymnasts.** In addition to a reduced rate and waived annual registration fee. Gymnasts are able to come and go freely. In meeting program commitment, this allows gymnasts to count days, not complete weeks. 9-week campers are still required to meet the program minimum commitment at their designated level.

In considering the 9-week camper option, **weeks #1 and #2 are limited to in-person NGA Nationals attending gymnasts and/or select team groups each of these weeks!** Please verify which weeks are available to your gymnast!

You are still welcome to take the 9-week camper option for its flexibility and other benefits. But rules of who can participate in weeks 1 and 2 apply.

**The 9-week camper option commitment deadline is also 6/1/2023. Please use the Summer 2023 9-week camper registration form.** This is a special registration form with different payment plan, waived annual 2023-24 registration fee and vacation declaration for 9-week gymnasts only.

All other members intending on doing less than the 9 weeks, please use the standard 2023 Summer registration form. This form has all weeks listed for you to circle your attending weeks. This form also does not address vacation dates or waive your annual 2023 registration fee. Those taking this plan and participating in NGA Nationals in person can count week #2 "National IP gymnasts only week" towards your 4-week minimum requirement for program commitments.

All new team invitees/recruits in the competitive training program. In order to be placed into the competitive Teams program in the fall of 2023 you will need to complete 3 weeks of summer camper at the 12ST level. No other level in the competitive program is available to competitive trainers.

Please remember, to remain in good standing, ALL Competitive members (including 12ST trainers) are required to meet their designated team's Summer 2023 program commitment. **Gymnast meeting only their base commitment minimums must attend all days and hours of attending weeks to count towards their commitment requirement.** There is no pay your way, you have to play! I want this crucial training time with all of your gymnasts!! In closing, the goal is to meet everyone's needs so all of the gymnasts and program can continue to prosper!!

Thank you for your time, support and commitment to Revel Gymnastics!
