LEVELS: Invited gymnasts from the following programs should attend this SUMMER training – invited DOT team members, invited R3/4 gymnasts, pre-evaluated new gymnasts and other gymnasts from within the current program recommended this placement. Signups for these designated gymnasts for Summer 2024 program will be in **2N SILVER, 3N (2S3)**

Summer 2024 Training recruits are invited from the 2023-24 school year program or pre-evaluated gymnasts receiving a recommendation for placement into the competitive training program. Please check the REVEL SUMMER 2024 PLACEMENTS LIST for confirmation of invitation to this program for the Summer 2024.

Invited gymnasts that chose to participate are required to attend 3 weeks of the **2N SILVER, 3N (2S3)** during the summer to meet program commitment. Completing this commitment will ensure your placement into the one of the levels in **2N SILVER, 3N (2S3)** for the fall 2024 program as a trainer. Not meeting summer commitment will return the gymnast to the recreational program in the fall of 2024. In the Fall 2024 **2N SILVER, 3N (2S3)** practice plan is 2/3 days for 2 hours each week. **2N SILVER, 3N (2S3)** team includes competitive gymnasts and training gymnasts. You have the option as a trainer to not compete in **2N SILVER, 3N (2S3)**. However, advancement in the Teams program can only be through competing. This opportunity will allow your gymnast to experience being a part of a competitive team in a training capacity. When ready she can opt to compete to be considered for advancement in the Teams program. Fall 2024 Teams rules & policies will state competitive commitment requirements for each level. The Teams R & P are signed off on the Fall 2024 team registration form. Hope to see REVEL 2024 competitive training recruits at 2S3 sessions this summer!

COMPETITIVE TEAMS

The REVEL 2024 COMPETITIVE TEAMS SUMMER PROGRAM will again be utilizing weekly sessions with a minimum number of commitment weeks for the Summer 2024. This plan works best in allowing flexibility for our families to enjoy the summer while maintaining training and program commitment. Please check the REVEL SUMMER 2024 PLACEMENTS LIST for confirmation of team training LEVEL for the Summer 2024. ALL COMPETITIVE TEAM MEMBERS REGISTRATION FORMS with half of the summer tuition paid by checks are due on 5/31/2024. Charges for first installment for cards on file will occur on 6/1/24. Forms received after 5/31/2024 will incur \$30.00 late fee. 2nd half or remainder of your summer tuition by check or card on file is due on or by 7/1/2024. Attending additional days or weeks beyond your commitment can be requested via email later in the summer. But due to availability, it is recommended to request those additional days or weeks with the original form on 5/31/2024. **Any concerns or questions please email.**

The 10-week camper option for 2024 is **open to all gymnasts.** In addition to a reduced rate and waived annual registration fee. Gymnasts are able to come and go freely. In meeting program commitment, this allows gymnasts to count days, not complete weeks. 10-week campers are still required to meet the program minimum commitment at their designated level.

The 10-week camper option commitment deadline is also 5/31/2024. Gymnasts attending Nationals will not incur a separate charge for the "NATL GYMNAST TRAINING ONLY" week. This week is included into the 10-week camper plan. **Please use the Summer 2024 10-week camper registration form.** This is a special registration form with different payment plan, waived annual 2024-25 registration fee and vacation declaration for **10-week gymnasts only.**

All other members intending on doing less than the 10 weeks, please use the **standard 2024 Summer Team registration form.** This form has all weeks listed for you to circle your **attending weeks.** This form also does not address vacation dates or waive your annual 2024-25 registration fee. Those taking this plan and participating in NGA Nationals in person can count the "National IP gymnasts only week" towards their minimum requirement for program commitments.

All new team invitees/recruits in the competitive training program. In order to be placed into the competitive Teams program in the fall of 2024 you will need to complete 3 weeks of summer trainer at the 2S3 level. No other level in the competitive program is available to competitive trainers.

Please remember, to remain in good standing, ALL Competitive members (including 2S3 trainers) are required to meet their designated team's Summer 2024 program commitment. **Gymnast meeting only their base commitment minimums must attend all days and hours of attending weeks to count towards their commitment requirement.** There is no pay your way, you have to play! I want this crucial training time with all of your gymnasts!! In closing, the goal is to meet everyone's needs so all of the gymnasts and program can continue to prosper!!

Thank you for your time, support and commitment to Revel Gymnastics!
