**TEAM TRAINERS (TT)**

Summer 2025 team training recruits are invited from the 2024-25 school year program or pre-evaluated gymnasts receiving a recommendation for placement into the competitive team training program.

Invited gymnasts that chose to participate are required to attend a minimum of 3 weeks of the **TEAM TRAINERS (TT)** during the summer to meet program commitment. Completing this commitment will ensure your placement into either the development training team (DOT) or the competitive entry team **2BN** for the fall 2025 program. Not meeting the 3-week minimum summer commitment will return the gymnast to the recreational program in the fall of 2025. The Fall 2025 **2BN** practice plan is 2 days for 2 hours each week. Competitive teams is a year-round commitment. The Fall 2025 development team **DOT** practice plan is 2 days for 1.25 hours per week. We strongly encourage our DOT members to train year-round. Beginning this upcoming competitive season 2025-26 anyone completing the summer commitment that does not want to compete for the 25-26 season will be placed onto the DOT team for the 25-26 season. Fall 2025 Team rules & policies will state competitive commitment requirements for each level. The Teams R & P are signed off on the Fall 2025 team registration form. Hope to see all of our REVEL 2025 competitive training recruits at team training sessions this summer!

### **COMPETITIVE & TRAINING TEAMS**

The REVEL 2025 COMPETITIVE & TRAINING TEAMS SUMMER PROGRAM will be utilizing weekly sessions with a minimum number of commitment weeks for the Summer 2025. This plan works best in allowing flexibility for our families to enjoy the summer while maintaining training and program commitment. Placements this summer are based upon your gymnast's current competitive level for the 24-25 season. Current competitive gymnast assessments for the 2025-26 season will be done over the summer and placements will be announced with the 2025-26 season information in August.

ALL COMPETITIVE & TRAINING TEAM MEMBERS REGISTRATION FORMS with first 1/2 of summer tuition paid by checks are due on 5/31/2025. Charges for first installment for cards on file will occur on 6/1/25. Forms received after 5/31/2025 will incur a \$30.00 late fee. 2nd half or remainder of your summer tuition by check or card on file is due by 7/1/2025. Attending additional days or weeks beyond your commitment can be requested via email later in the summer. But due to availability, it is recommended to request those additional days or weeks with the original form on 5/31/2025. Extra days will approved based on that week's attendance.

The 10-week camper option for 2025 is **open to all gymnasts**. **Team trainers qualify for this option with the 9 full weeks.** In addition to a reduced rate and waived annual registration fee. Gymnasts are able to come and go freely. In meeting program commitment, this allows gymnasts to count days, not complete weeks. 10-week campers are still required to meet the program minimum commitment at their designated level. **The 10-week camper option commitment deadline is also 5/31/2025. Please use the Summer 2025 10-week camper registration form.** This is a special registration form with different payment plan, waived annual 2025-26 registration fee and vacation declaration for **10-week gymnasts only**.

All other competitive & training members not utilizing the All-week camper plan. Please use the **standard 2025 Summer Team registration form**. This form has all weeks listed for you to circle your **attending weeks**. This form also does not address vacation dates or waive your annual 2025-26 registration fee.

Fall 2025 placement for all new team invitees/recruits into the competitive 2BN team will required to complete the minimum 3 weeks at Team Trainer (TT) level. Camp week #1 is afterschool hours only. TT is not eligible to attend week #1 because of the time & gym space limitations.

Please remember, to remain in good standing, ALL competitive members (including Team Trainers) are required to meet their designated team's Summer 2025 program commitment. **Gymnast meeting only their base commitment minimums must attend all days and hours of attending weeks to count towards their commitment requirement. There are no makeups for summer!** There is no pay your way, you must play! I want this crucial training time with all your gymnasts!! In closing, the goal is to meet everyone's needs so all of the gymnasts and program can continue to prosper!!

Thank you for your time, support and commitment to Revel Gymnastics!
